### *MSB Publishing Company*

MSB Publishing was founded in 1991 by Mitchell Bender after a long career as a band director with Fairfax County Public Schools. Over a 45 year career, Mitch Bender was an esteemed and gifted music director, composer and arranger who wrote fluently and prolifically for band, orchestra, chorus, solo, voice and virtually every instrument imaginable. At the 1996 Mid-West Clinic he was awarded the Dr. Forrest L Buchtel Award for Excellence in Composing and Arranging from Vandercook College of Music.

Our catalog includes many pieces written by Mitch Bender, as well as our other esteemed and highly regarded composers, such as Elliot Del Borgo, Joseph Compello, Frank Rodgers, Gary Fagan, Ray Pancarowicz, Scott Humphries, Donald Olah, Jerry Weseley Harris, Dr. David Campo, Dr. Andrejs Jansons, Mark Seaman, Bob Klotman, Lloyd Conley, Leland Forsblad, James Pekol, Richard Rigg, R. Scott Whittington and others.

MSB Publishing is a continuing venture selling Mitch Bender's music and those of all of our composers. At MSB Publishing we will never take a piece of music out of print. We are here to serve the musical community and remain committed to superior service while ensuring that every band, orchestra or soloist will have access to all of our music, now and forever.
